

Kicked-up Keynotes...

for Unforgettable Outcomes!

Bonnie Mattick's keynote presentations will earn a "standing O" from your clients, employees and stakeholders.

Keynote Presentations

Experience the Exceptional — and Kick Up Your Bottom Line!

Business owners and managers can put company performance in a starring role — and focus on what brings out everyone's best — with this dynamic keynote presentation.

You'll learn:

- ▶ How the essential components of focus and strategy demonstrate leadership intention
- ▶ Why employee engagement creates greater profits

Tipping Your Hat to Top Performance

With individual and organizational performance on center stage, enthusiastic leadership serves as the spotlight for excellence.

Help employees flourish in your organization by:

- ▶ Empowering them and gaining their involvement
- ▶ Achieving results that impress everyone — especially your customers

Breakout Sessions

After the main event, solidify the key messages with customized breakout sessions — including hands-on exercises and collaborative methods tailored to your group's most pressing issues.

About Bonnie Mattick

Kudos

"Bonnie Mattick is one of the most creative and insightful people I have ever met. Whether she's giving one of her highly popular presentations, conducting a compelling teleseminar, or providing counsel to one of her respected clients, the result is the same... Unforgettable Outcomes!"

— Dick Bruso, President/Founder, Heard Above The Noise

"Bonnie Mattick sees your top employees as hidden gems that can be cultivated to share their particular skills to create a thriving enterprise."

— Glen Miller, Ed.D., President, Performance Essentials, Inc.

"Bonnie Mattick's instincts for employee engagement, coupled with her tremendous background in performance improvement, create a powerful program for your team. You will be pleased with the increase in productivity and enthusiasm found in your teams. And, her work has staying power!"

— Beth Terry, CSP
