

Kicked-up Group Sessions... for Unforgettable Outcomes!

Bonnie Mattick customizes a wide range of topics and formats tailored to your industry and business model...

Workshops and Seminars

Creating Unforgettable Outcomes with Positive Behaviors from Employees, Managers and Your Organization

Learn the tools to pit positive behavioral change against negative behavioral change.

You'll experience:

- ▶ How behavior changes, and recognize the outcomes to individuals and organizations.
- ▶ Benefits to the bottom line when happy employees create results!

Creating Unforgettable Outcomes for Your Association in the Coming Year

Geared toward "kicking up the experience for your members while attracting new ones," this seminar (in person or as a teleseminar) provides three keys to adding value:

- ▶ Gaining commitment from leadership
- ▶ Creating programs to improve attendance and involvement
- ▶ Providing follow-through to ensure bottom-line impact

Facilitation

Focus Group and Meeting "Fun-cilitation"

People learn more when they're in a supportive, enjoyable environment.

Benefits include:

- ▶ Producing prompt, guaranteed results with better communication and problem solving
- ▶ Custom programs that can be implemented immediately for your next meeting

Kudos:

"Bonnie Mattick sees your top employees as hidden gems that can be cultivated to share their particular skills to create a thriving enterprise."

— Glen Miller, Ed.D., President,
Performance Essentials, Inc.

"Bonnie Mattick's instincts for employee engagement, coupled with her tremendous background in performance improvement, create a powerful program for your team. You will be pleased with the increase in productivity and enthusiasm found in your teams. And, her work has staying power!"

— Beth Terry, CSP

Because leveraging strengths helps achieve corporate goals!
